I beg to submit the following representation for the kind and sympathetic consideration of Government.

I have now put in 36 years of service, during 17 of which (from 1926 to 1943) I worked in the Dewan's Office - as superintendent & later as Assistant Secretary. Prior to that I worked as Personal Assistant to two Members of Council. My work throughout has been spoken of with One of the Dewans under whom I had the privilege to work, was pleased to express his opinion about me and my work as follows: " I have found Mr. Nanjarajaiengar a most capable, trustworthy, hardworking and useful --- Officer. He has done his work with extraordinary zeal and ability ".

From 1943 to 1946 I worked as Publicity Officer to Government and endeavoured to discharge my duties to the satisfaction of my official superiors. The Information Bulletin was regularly published. I put forth special efforts in connection with the publicity of the war effort of the State. The work of the General Publicity and Commercial Publicity Sections was promptly attended to. My work in connection with press advising during the period of war was also favourably noticed. Shri. R.Venkataramiah, then Chief Press Adviser, and now Judge of the High Court of Mysore, was pleased to express the following opinion on my work: " Mr. C. Nanjarajaiengar has been very helpful to me as Chief Press Adviser. It may be noticed that the work done by him is novel in kind and useful in effect". The Press Advisory Committee was also good enough to place on record its appreciation of my work.

I was posted as Assistant Secretary to Government, Agriculture and Forest Branch, in May 1946. This Branch deals with the work of the departments of Forest, Agriculture, Veterinary, Co-operation, Marketting, Gardens and Hill Stations. The work is normally heavy; as a result of the implementing of a number of post-war development schemes of these departments, and of the 3 year Food Production Scheme, it has grown very considerably.

While I was working in the Dewan's Office I was getting a Duty Allowance of Rs. 25/-. On my transfer as Publicity Officer, this allowance, which I had drawn for many years, in the Dewan's Office, was continued and subsequently enhanced to Rs. 50/-. My transfer from this post affected me financially in two ways: it deprived me not only of the Duty Allowance of Rs.50/- but also of the revised grade (Rs. 600-25-850) which was subsequently sanctioned for the post and which I would have got had I been continued as Publicity Officer.

In connection with the revision of the scales of pay of the Assistant Secretaries to Government and other subordinate Gazetted Officers, my pay was fixed at Rs.475 plus 5 P.A. in the revised grade of Rs. 300-25-500, with effect from 1st October 1948. I was given an increment of Rs. 20/- (half the biennial increment in the old grade) for a service of one year and eight months, while, in the normal course, I was entitled to get an increment of Rs.40/- only three months hence, i.e. in January 1949. I thus lost the benefit of 8 months' service. From 1st October 1949 my pay stands at Rs. 500/-, the maximum of the grade. As things stand, there is no further advancement which I can look forward to, though I have still 2½ years to go before retirement

I have suffered financially during the past three years, almost since my transfer from the post of Publicity

Officer in May 1946. When I retire in January 1952, I will have rendered a total service of 38 years. I am the senior among the Assistant Secretaries to Government (Non Civil Service). In December last year I submitted a representation to Government praying for the improvement of my position and prospects in the circumstances mentioned above. Janab. Mahamad Ismail Sheriff, the then General Secretary, was good enough to recommend my case in the following terms : "It occurs to me that Mr. Nanjarajaiengar could be helped in either of ~~the~~ two ways -- by continuing the duty allowance which he was getting as Publicity Officer and for many years previously in the Dewan's Office, or by creating a post of Senior Assistant Secretary, like that of Senior Assistant Commissioner, on Rs. 500-50-600 against his present post. The latter proposal, which is more preferable, involves a small extra cost but it will help to improve the position of a senior officer who has put in long service and who has a few more years before superannuation, and has done very well in various responsible posts. It will also help him to get a little higher pension at the end of a long and approved service of 38 years ".

Now that I have reached the maximum of my grade (Rs. 300-25-500) and have still a little over 2 years of service before retirement, I humbly request that the recommendation of the former General Secretary to put me in the grade 500 - 600, given to Senior Assistant Commissioners, with effect from 1st Oct. 1949, against my present post, be kindly considered. This will help me to get a small increase in my pay for the rest of my service and also a small addition to the pension I shall get after retirement. ~~a record service of 38 years~~. I may submit in this connection that similar opening have

been created for senior departmental officers in other departments e.g. Police, Excise, Forest and Education etc. The need for creating a similar cadre for senior Assistant Secretaries ~~Secretariat Officers~~ (~~non-civilians~~ non-civil service) does not seem to have been felt ~~invented~~ since they either did not reach the maximum of their grade or reached it only a few months prior to retirement. In these circumstances, I humbly pray that my request, which involves very little extra cost, may kindly be favourably considered and granted by the benign Government as a token of ~~their~~ recognition of my long and loyal service ~~of 38 years~~ in the Secretariat.
